No. - 169/2110-0024/18/100

Dated. 02-06-2018

NOTICE FOR EOI

Notice for expression of interest to establish/maintain/operate the Water Treatment Plants in Arsenic and Fluoride affected habitations of the state of UP.

The UTTAR PRADESH JAL NIGAM is willing to entrust the said work to interested companies/social organizations/firms/individuals, to take up the responsibilities of Establishment/Maintenance/Operating the water treatment plants already established/to be established in the Arsenic and Fluorides affected habitations of the state of UTTAR PRADESH.

In this context U.P. Jal Nigam invite the interested Agencies/Individuals to participate in a meeting to be held on date 13-06-2018 at U.P.Jal Nigam, Head Office 6-Rana Pratap Marg, Lucknow at 10:30 A.M. to discuss and decide the modalities to run the water treatment plants in a sustainable revenue generation model.

Following are the crucial aspects of the program which needs to be considered.

1. There are 2100 habitations in the state, where the ground water is affected by Arsenic / Fluoride or both.
2. U.P.Jal Nigam has already set up plants in more than 900 habitations in the past years.
3. Now, the U.P Jal Nigam wishes to do the O&M of these installed plants on a cost sharing basis, where the partner agency will in handedover the Water Treatment Plants on as is where is basis, and the agency need to operationlize the plants and run the plants for a longer period of time.
4. U.P Jal Nigam envisages the operation & maintenance cost to be met from the same revenue generation model from the sale of purified water from the plant, ensuring a viable approach of Plant running and thus rendering invaluable service to the underprivileged section of markind.
5. It is an effort to make the plant self sustainable to serve the human causes for healthy living.
