Eligibility Criteria :

1. Experience :

1. Contractors who inter alia fulfill the following requirements shall be eligible to apply.
 - (a) Firm should have successfully completed and commissioned *similar works* at sewage pumping stations and Tubewell during last Ten years as on date of publication of NIT, satisfying either of following: -
 - i. One similar completed work i.e. operation of Tubewell's pumping plants and sewage pumping station
and
 - i. Three similar completed works each costing not less than 30% of cost of work (i.e. Rs.5.00 Lacs) put to bid or,
 - ii. Two similar completed works each costing not less than 40% of cost of work (i.e. Rs. 7.00 Lacs) put to bid or,
 - iii. One similar completed work costing not less than 60% of cost of work (i.e. Rs. 11.00 Lacs) put to bid,

This should be certified by an officer not below the rank of Executive Engineer/ Project Manager or equivalent. All the performance certificates submitted should be clear and exhaustive enough to establish similarity with the work under Bid. Ambiguous Performance Certificates will not be considered for evaluation.

Similar work shall mean "Successfully completed operation of tube well & sewage pumping station at above mentioned minimum capacity of SPS".

- (b) Should have average **audited** annual financial turnover during immediate last 3 (three) consecutive financial years on construction works, equal to at least **30%** of the cost of work i.e Rs. 5.00 Lacs put to tender. Year in which no turnover is shown will also be considered for working out the average.
- (c) The bidder must have a positive net worth on the date of bidding. At the time of submission of bid, contractor has to upload **Certificate from Statutory Auditor of the firm mentioning year wise audited financial turnover on construction works** of last 5 years. Further details, if required, may be asked from the contractor after opening of technical bids.
- (d) **Solvency Certificate of minimum 40% of the tender value will be required to be submitted.** The bidder must maintain his solvency till completion of project.
 - Solvency Certificate issued by any Scheduled Commercial Bank shall be accepted, which will be valid for a period of one year from the date of issue unless otherwise mentioned.
 - or
 - Solvency Certificate issued by District Magistrate will also be accepted, which will have a validity of one year from date of issue unless otherwise mentioned.
- (e) The value of turnover on construction works shall be brought to current costing level by enhancing the actual values @ 7% per year calculated from the date of completion to the date of publication of NIT. A typical index is given below.
